The Greatest Rinse

That Any Woman Ever Tried

PUT the juice of one lemon into a quart of water and pour over the hair after shampooing — the best "Beauty Shops" do this.

It removes a curd formed by soap which is otherwise always left on the hair afterward. The hair is sticky and unclean in comparison when the lemon rinse isn't used. Note the difference.

Simply feel the hair. Also note its lustrous, fine appearance.

That test will convince you. You'll always use the lemon rinse. It is harmless and most effective. Try it now.

Get California Sunkist Lemons. They are rich in juice. All first-class dealers sell them.

Free "Beauty Book"

We've prepared a little booklet called "Toilet Uses for the Lemon—How it Helps to Beautify." We will send a copy free to any woman on request. Just send a post card with your name and address and get one by first mail. Learn the many valuable uses of the lemon.
